OLIVES ET AL, THE POTTING SHED & COVID TIMES

Olives Et Al created the Potting Shed in 2008 to showcase a little of what we're all about: great food, great people and great company.
During these strange times of COVID things are, inevitably, a little different in the way we're operating...

This menu will have been sanitised often which is why it's laminated rather than being our normal paper which we would probably all prefer. As ever, we're offering our take on British Mediterranean dishes but with our own Potting Shed twist and true Olives Et Al Mediterranean style albeit a slightly shorter menu than usual and all served in disposable tableware to keep you and us safe.

Our service ethos remains as warm and friendly as we can be but please excuse us whilst we're a little more socially distant than we'd like. The Marquee is to provide a little shelter from the elements and we'd ask that you don't stay for too long so others can enjoy the space, too.

If you're not happy with anything, however minor, then please tell us while you are still here - we won't bite and we can always put things right if we know.

Equally, if you like what we're doing and have enjoyed your experience, tip *exceedingly* generously and spread the word...

LIVE MORE AND EAT VERY HAPPILY
